Dr. Ranjeet Kr. Singh

Greetings from the Organizing Desk

The new era post the global pandemic has affected academics, establishments, and individuals' preparedness worldwide. Forensic Science has an interdisciplinary approach and its true essence can be proved meaningful with collaborative efforts of people present around the globe functioning together as a team. With a vision to bring all the academicians, students, and professionals and share their valuable contemplations, the 3rd International eConference is structured to lead the way through endeavors focused to take Forensic to greater heights. I welcome every science enthusiast to become a part of this revolutionizing effort and explore the technological advancements, scientific researches, and opportunities for everyone to flourish.

The Organizers

International Association of Scientists and Researchers (IASR)

IASR is a non-profit organization focused to deliver the updated literature and research work to the global scientific and research society, but everyone. Providing open access to critically reviewed high-quality research papers and literature, it works with a mission of providing a user-friendly global platform for researchers, scientists for sharing information, and dissemination of the recent groundbreaking researches and advancements in various fields working together for the better world to live in.
