Message from Desk of Organizer

Dear Colleagues,

We are delighted to announce that the Indo Pacific Academy of Forensic Nursing Science is organising the 7th Conference - INPAFNUSCON-2021 on the theme of "Advancement in Forensic Nursing Science & Practice" on 6th and 7th November 2021. The Organizing Committee invites all forensic and nursing avid learners to participate and present their research in the various disciplines of forensic nursing.

Forensic nursing science is the fastest growing nursing specialty and it proffers techniques to serve humankind. As forensic nursing is emerging and evolving globally, the Indo Pacific academy of Forensic Nursing Science (INPAFNUS) is organizing an eConference regarding the advancement in forensic nursing science and practice. The purpose of forensic nursing science is to promote positive change in the medicolegal management of detainees, asylum seekers, mentally disordered offenders, living and deceased persons, and to prevent victimization and reduce the fear of crime.

Forensic nursing possess the art and science of nursing and the medicolegal clinical skills to provide care to survivors and offenders of violent crimes or to investigate their death. The conference brings together both young and experienced minds to share their thoughts and lead the torch in advancing forensic nursing science.

WHO SHOULD ATTEND ?

This conference is ideal for doctoral scholars, postgraduates, academicians, graduate teaching faculty, clinical nurses of all cadre, and all students of graduate and postgraduate nursing fraternity.

PLEASE JOIN US.
